## 2020 - SUMMER FUN AT THE FARM

We offer a comprehensive, hands-on farm experience with a focus on the great outdoors. We will be flexible to the interests of the children. Children must be 5-10 years old. **8:30am-4:30pm each day**

**\*WEEK 1 - July 27 – 31**

**\$225/week [includes HST]**

**\*WEEK 2 – August 24 - 28**

**\$200/week for siblings \***

\* Special information for Camp 2020 due to Covid 19: Camp is limited to 8 spots per week and each spot is for the full week. We cannot accept campers for partial registrations. There will be 2 camp councilors each week. We will consider adding more dates depending on demand and councilor availability. We will be adhering to the Health Units rules for day camps. Children enrolled in camp will be asked to social distance from each other during the camp, and our facilities will be set up to adhere to this. Lunch and snacks will not be provided so campers will need to provide their own. Each day parents will need to answer questions on their child's health status that day and their temperature will be taken before admitting to camp for that day. Details provided before the start of camp or call the store. (519) 284-2564
